# St. Luke Happenings

Dear St. Luke Families,

As I reflect on our 60th school year all I can say is what a year!! From our opening day with school enrollment at its highest level, a successful Fall Festival, the development of our Arts program, and the approval of the new building, it is safe to say St. Luke is ready for another successful 60 years.

The year would not be complete without me taking this opportunity to thank all who keep the school running. First and foremost, Fr. Andrew for his continued support and guidance, Dr. DeMartino and the Notre Dame team for the professional development and advancement, the office staff, Melissa and Lorena who are the backbone of the school and keep the office running. The teachers and staff who are truly dedicated to our scholars, the HSA core committee, our kitchen staff who take care of us all. And of course, thank you parents for choosing St. Luke and entrusting us to live our mission of providing a Catholic education of the highest quality.

I wish you all the best summer and look forward to another terrific year.

Your partner in faith and education,

Mrs. Bacchus

## **Congratulations:**

Thank you Ms. Cooney, Mrs. Reilly, and Mr. Raimondi for supporting our students in the Arts. Ten, St. Luke students will be recognized June 6, for excellence for the Essay contest and creative Arts Competition sponsored by the Palm Beach Fellowship of Christians and Jews.
